

## **OCRA Conditions of Loan.**

1. All equipment will remain the property of OCRA (Okehampton Community Recreational Association).
2. OCRA can arrange for delivery and collection of the equipment by prior arrangement otherwise all equipment must be collected from and returned to OCRA, Okehampton College, Mill Road, Okehampton, Devon on Mondays 10.00am and 12 noon or otherwise by arrangement.
3. It is the responsibility of the borrower to check all equipment upon taking charge of the equipment and before returning it. The equipment will be deemed to be in good condition and to the satisfaction of the borrower unless the borrower informs OCRA immediately upon taking charge of the equipment that is damaged or deemed unfit for the purpose of loan.
4. The borrower accepts full responsibility for the equipment and agrees to compensate OCRA for any loss, theft, damage or breakage caused to the equipment during the hire period, fair wear and tear expected. Any loss, theft, damage or breakage must be reported to OCRA.
5. OCRA reserves the right to recover any equipment not returned by the agreed date and to recover from the borrower any costs so incurred.
6. OCRA reserves the right to demand without prior notice the return of any equipment in part, or as a whole and for any reason.
7. The borrower is advised to have a valid public liability insurance for a minimum of £5 million if applicable.
8. OCRA and its employees, committee and trustee's shall not be held responsible in any way for:
  - Any accident, loss, injury or death sustained by any person during the participation in any activity or as a spectator of an activity during which the equipment is being used.
  - Any damage caused to premises where the equipment is in use.
  - Any damage caused to clothing, valuables or property arising from the use of the equipment.
9. The borrower agrees to indemnify and keep indemnified OCRA against all actions, claims, costs, losses and demands from the loan and use of all the equipment.
10. The borrower agrees not to use the equipment for commercial purposes.
